attended, and the teachers report

only on part of the pupils, but on
part of parents and school officers
as well.

D. C. O'Neal Dead.

After a lingering illness which he
patiently bore, Mr. D. C. ("Clem")
O'Neal died at the residence of his
father near Russysville last Satur-
day. He was buried in the Vinson
burial ground on the Point Sunday
morning by the side of his wife,
formerly Miss Lizzie Vinson, who died
at Bowling Green a few years ago.
Mr. O'Neal leaves seven children to
mourn the loss of a father, whose
death makes them orphans. He was
a lawyer by profession, but on ac-
count of bad health had not been
in active work for some time. He
was a sober, good citizen and will
be missed by many relatives and
friends. He was a brother of W. D.
O'Neal, a prominent attorney of this
place. He was about 41 years of
age. The funeral was largely attend-
ed and the services were conducted
by Revs. William Jarrell and S. F.
Reynolds.

The Louisa ball club has been
playing in tough luck lately. They
went to Paintsville last Saturday
meeting the Inez boys on neutral
ground. It required 12 innings to
settle things, Louisa losing by one
run. Monday afternoon they crossed
oats with a mixed team from Wil-
lamson, losing out by a score of 7
to 6. Tuesday morning they again
assayed to demolish the lads from
opposite the mouth of Pond and again
went to the dust of defeat with a
2 to 0 on the wrong side of the account.
We are glad to hear that in these
contests the boys behaved themselves
with the utmost propriety.

Vinson Wray, youngest son of Will
Wray, of Catlettsburg died suddenly
at Gainesport, O., where he had been
taken for treatment. After the death
of his wife, who was Miss Lizzie
Bromley, of Cassville, and one of
the prettiest girls in the Sandy val-
ley, Mr. Wray and his children made
their home with Mr. and Mrs. Z. C.
Vinson, of Catlettsburg. The fune-
ral of the boy occurred in that city
Monday. His uncle and aunt, Dr.
Bromley and wife attended the bur-
ial. A brother and sister survive
the deceased.

The Huntington Dispatch garnishes
a recent issue with a story of a man
named Fulk, who, having the bad
luck to lose an arm by amputation,
wanted it buried in due form and
with Christian rites. Minister after
minister was appealed to, and minister
after minister refused with more or
less indignation. Determined to have
the dismembered member properly
planted Fulk sent his brother to the
head of Blaine, Lawrence county.
Here an accommodating preacher was
found, and then with song and selec-
tion, more or less fitting, Fulk's sepa-
rated anatomy was bid from sight.

The Internal Revenue officers caused
consternation in the ranks of the
"Cream of Hops" vendors last Sat-
urday by swooping down upon them
and forcing them to pay the regular
liquor license. It is said the Law-
rence county grand jury will also
take action in the cases, this being
a violation of the local option laws.
The general public rejoices at the
abatement of this nuisance. Now,
if they can only get rid of the
Adams Express Company's saloon
there will be still greater cause for
rejoicing.

Last Monday evening the Louisa
Brass Band gave an open air con-
cert in the public square, rendering
the beautiful program published in
last week's NEWS. The band has
certainly improved very much in the
past few months, playing the various
numbers of the musical menu with
much smoothness and precision. Dur-
ing the evening ice cream and other
refreshments were served in the beau-
tifully lighted square, the proceeds,
some \$20, to be applied to uniform-
ing the band in appropriate dress.

Last Saturday evening some boys
near Richardson boarded No. 87, in-
tending to ride west until they met
88 and then return, 87 did not stop
just as they expected it to and they
made a flying leap. They hit the
ground with the usual dull thud, and
the result for one at least was im-
mensely disastrous. His name is At-
kins, and he is laid up with his
right leg broken and ankle disloca-
ted.

Last Saturday the workmen who
are digging a well in the ravine near
the Cannery struck a small flow of
black oil. They were in a stratum of
rock about 75 feet below the surface,
and they have been directed to go
further and see what they will find.
The well is being dug to procure a
sufficient supply of pure water for
the cannery.

Miss Amanda Walters, of Blaine,
who was at one time a teacher in
the Louisa public school, was married
at her home on the 18th inst. to
Curtis Thompson, a well-known
teacher of this county. Mrs. Thomp-
son is a very bright and attractive
woman, popular with all. She is a
sister of Luther Walter, of Washing-
ton.

James Rice, son of James Rice, of
Catlettsburg, is assisting Jeff Justice
here in the C. & O. freight office here.
Rice was formerly a brakeman on the
Lexington division, and while climb-
ing up a moving freight car one of
the steps pulled out, Rice fell to the
ground and one foot was cut off.

a while when Mr. Cooper was the
agent for the Singer Sewing Ma-
chine Co.

in stature, but he is a Jumbo when it
comes to salleting life insurance.

of persuasive gab and nerve, and

ed from Wm. Burton a lot in lower

OUR NEIGHBORS.

The grand lodge of the M. P. S.
(Mules) will be held at Morehead,
beginning September 5th.

man who was so badly cut during the
race there a couple of weeks ago,
died of his wounds Thursday.

Charles F. Taylor has withdrawn
the papers in his application for
the Greenup post-office and Con-
gressman Bennett will recommend
Thos. E. Myers for re-appointment.

While repairing telephone lines at
Catlettsburg Tuesday, Fred Hooper
from Tennessee, fell from the top of
a pole to the ground, a distance of
forty-five feet, receiving injuries from
which he died.

Gov. Beckham has ordered two com-
panies of troops and a battery to
Russellville to protect W. R. Fletch-
er and Guy Lyon, who are to be tri-
ed on the charge of assaulting
Mary Gladden, in May last.

We learn that what will probably
prove a tragedy occurred near tun-
nel No. 7 on the N. & W. Saturday.
Mary McNeely was shot by a man
named Jess Browning, the ball in-
flicting what was supposed to be a
mortal wound. We are without par-
ticulars.

Norfolk, Va., Aug. 18.—Many people
were drowned and scores of others
injured as the result of an excursion
train on the Atlantic Coast line,
bound from Kingston, N. C. to this
city, plunged through an open draw
over the western branch of the Eliz-
abeth river eight miles from Nor-
folk.

William Ellis was captured near
Logan by a posse, of which his father
was a member, and is held on a
charge of having killed Robert Mur-
phy, the Deputy Sheriff, who brought
a prisoner here from Virginia. Ellis
says that he mistook Murphy and
his party for others with whom he
had had trouble.

Tuesday night of last week there
was a shooting affray at Naugatuck,
old "Mouth of Pigeon," which result-
ed in the death of Jay Mead, a son
of Squire Mead, and the dangerous
wounding of Dr. John Kazez. The
shooting occurred near the N. & W.
depot, and operator J. H. Marcum is
with Will Kazez, brother of the doc-
tor, under arrest charged with the
shooting.

The large box factory run by the
Devon Lumber Company, was accom-
panied by fire about 6 o'clock Tues-
day evening in the city of Kenova.
The loss was about \$8,000 and was
partially insured. It was the prop-
erty of W. M. Ritter, Columbus, O.
A vacant box factory of Switzer Bros.,
of Huntington, was also burned with
considerable loss. It is thought
that the fire originated from sparks.

Robert Anderson, of Ashland, was
run over by a train on the Lexington
division of the C. & O. near the tun-
nel Tuesday night. His mangled body
was found lying near the track, and
was brought in by the crew of No.
24, and was at once taken to Kings'
Daughters' Hospital. Both legs were
cut off below the knee, and he never
rallied, but died Wednesday morn-
ing at 6 o'clock.

Knoxville, Tenn., Aug. 19.—Harvey
Mize, a citizen of Bennett, Tenn., a
little mining town in Campbell coun-
ty, near Lenoir, Tenn., shot and
instantly killed his wife, mistaking her
for a burglar. Mrs. Mize had gone
to the house to get drink of water
for her little girl, who was ill. Her
husband was awakened and seeing
the shadow of a person before him
seized a pistol and fired. His wife
died without being able to speak a
word.

A man by the name of Gates, with
his family of a wife and five chil-
dren, were drowned Monday night
about 11 o'clock between Maysville
and Dover. Gates left Maysville in a
shanty boat intending going South and
died up for the night at a point be-
low Ripley on the Kentucky side.
The rising river caused the boat to
break loose and float to midstream.
A towboat coming up with empties
struck the shantyboat, demolished it
and the whole family is said to have
been drowned.

Get The Best.

United States paint is the best on the
market. It is positively the same
paint that is sold under the best
known brand in the country today,

Paint" instead of the other we save
you fifteen cents per gallon.

Doors and Sash.

The Snyder Hardware Company has
just received a car load of doors and
sash of various kinds and sizes and
is offering them at the lowest prices
ever named in Louisa. Builders are
invited to look at the stock.

An ice cream festival will be giv-
ing in the court house square on Sat-
urday evening of this week for the
benefit of Wm. Dawson, of Port Gay,
a worthy object of charity. The peo-
ple are urged to go out and help
in the effort to raise some needed
funds.

While Mrs. Sam Bromley remains
confined to the house the girls are
able to be out after a long siege of
fever. It is seldom that so many in
a family are down at the same time,
and so long, and their friends re-
joice with them on their ultimate
recovery.

An Assault.

On Monday evening about 7:20
o'clock, Fred Meyer, of Williamson,
manager of the base ball team which
played here Monday and Tuesday,
was assaulted and received a severe
blow on the head. J. C. Johns and
son Henry were arrested upon a
charge of having committed the deed,
and a felony charge was placed
against them.

Meyers says some one went to him
at the hotel and told him that some
of his men were in trouble down the
street. He and his wife walked
down in the direction indicated, and
when alongside a plate glass window
at Pierce & Derrick's store, Mr. Meyer
was struck on the back part of
the head with a club. Mr. Meyer
staggered across the street, falling
three times. Mrs. Meyer received
a part of the force of one blow on
her arm. The plate glass window re-
ferred to above was broken during
the trouble. Meyer was taken to
the hotel and it was found that the
injury was not dangerous, and the man
was able to be taken across the river
Tuesday to the N. & W. railroad.
One of the assailants claims to
have been mistreated at the hands
of Meyer and others at Williamson
some time ago.

The affair is very much deplored
here.
The examining trial was called
Wednesday in Louisa Police court,
and the attorneys agreed upon a
waive of examination and a bond
of \$250. Judge Justice refused to agree
to the bond proposition and the de-
fendants "swore him off of the bench"
and the case placed in the hands of
Squire B. F. Diamond. It has been
set for trial tomorrow on upper
Lick creek, at Squire Diamond's resi-
dence.

Four Men Killed.

A terrible accident occurred in a
railroad construction camp on Mar-
rowbone, above Regina, Pike county,
Tuesday afternoon, in which four
men were killed and two probably
fatally injured. Contractor Joseph
Perkins and John Coleman were two
of the men killed.

The catastrophe was caused by a
dynamite explosion. The men were
at work in a deep cut, and had set
off a charge in a drilled hole in the
rock, to "spread" the aperture, and
a second and heavier charge was
then put in. While this was being
tamped down it exploded, probably
being set off by the heat from the
first charge.

The men at work near-by were
hurled quite a distance by the concus-
sion, and some of them were fright-
fully mangled. The tamping staff
was driven into Mr. Perkins' chest
and entirely through his body.
The body of Mr. Perkins was sent
home in Virginia. The other un-
fortunate men lived not far from the
scene of the accident.

Big Sandy to the Front.

It is stated elsewhere that the
Southern Mutual Investment Com-
pany, of Lexington, Ky., had been
merged with some other big com-
panies in the same line of business,
forming one of the largest concerns
of the kind in the United States. The
uniting companies are the Lexington
company and the American and
Colonial concerns of St. Louis. The
consolidation is made from the pur-
pose of conducting his business of
the companies at a minimum expense,
with the main office in St. Louis.
A. S. Bowman, who was general
manager of the Lexington company,
will be president of the concern, and
Henry G. Snyder, attorney for the
Southern Mutual, will be attorney for
the consolidated company. This is
a big promotion, and a deserved
recognition of the worth and serv-
ices of a Louisa boy, "native and
to the manner born." The assets
of the consolidated companies amount
to \$3,000,000, and the direction of the
legal affairs of such a corporation
implies the possession of more than
ordinary legal ability.

Coffins Delivered in Country.

People living in the country may or-
der coffins or caskets from us by tel-
ephone or otherwise and we will deliv-
er them at very small cost. We have
a team that we can send out at any
time and the expense will be slight.
Snyder Hardware Company,
Louisia, Ky.

We regret to say that Rev. O. F.
Williams has been called to Parkers-
burg by a telegram announcing the
dangerous illness of his baby. There
will not be any service in the South
church Sunday, but if the condition
of his child permits Mr. Williams will
be here and occupy his pulpit on the
following Sunday.

back he had to get a certificate of
this sort. We are glad our former
townsman is in such sanitary con-
dition and hope that before Gab-
riel-toots his horn for the last awak-
ening, Leo will appear in the flesh
to his many friends in Louisa.

That unsightly array of rugged

You may break the thing, carry it
off if you will, but the smell of the
hosa rack will linger there still.

Rudyard Kipling has received official recognition as a hymn writer from the Methodist Episcopal church. His "Recessional" is one of a number of recent day poems which have been placed in the poems which have just been issued. From now on its well known words "Let God of Hosts be with us, lest we forget, lest we forget" will be chanted in the Methodist churches of the country, North and South, at regular services.

Kipling is not the only living writer who has been honored by the commissioners who have prepared the new hymnal. Richard Watson Gilder, editor of the Century Magazine, is also recognized. One of his poems, "To thee, Eternal, Soul, be praise," has been placed in the book issued by the revision commission.

OBITUARY.

Departed this life August 7, 1905, Louisa M. Yates. She was born in Pike county, Kentucky, December 14, 1841, and moved with her parents to Lawrence county where she lived a peaceful life until death came. She was never married and always lived at home. She was the oldest daughter of James and Pauline Yates. She was an obedient child to her parents and loved and respected by all that knew her.

She left a mother, two brothers and two sisters and many friends and neighbors to mourn their loss, but let us who mourn be submissive to God's will and mourn not as those that have no hope.

She was laid to rest in the Bradley grave-yard. The burial services being conducted by Rev. Adam Harmon.

Psalms 34, 74:8:

On cymbals high his glory raise;
Let all that breathe with glad accord,
Lift up their voice and praise the Lord
